EDUCATION

Obafemi Awolowo University, Ile-Ife, Osun-State, Nigeria

Bachelor of Science in Microbiology; 4.4/5.0

2017-2021

- Undergraduate Thesis: Phytochemical Screening and Antibacterial activity of the Methanolic extracts of *Artocarpus heterophyllus* Stem bark
- Seminar: Antimicrobial Factors produced by Lactic Acid Bacteria

Aquinas College Akure, Akure, Ondo State, Nigeria

Senior School Leaving Certificate

West African Examination Council

RELEVANT EXPERIENCE

Department of Microbiology and Parasitology, Obafemi Awolowo University Teaching Hospital Complex Ile-Ife Osun State

Industrial Training

Jan-Mar, 2020

- Participated in short term industrial training in Microbiology and Parasitology Laboratory
- Assisted Clinical Microbiologists in carrying out medical tests in the laboratory

Department of Microbiology, Obafemi Awolowo University Ile-Ife

Voluntary Research Work

Mar-Dec, 2021

- Participated in cow dung sample collection for a postgraduate research in Microbiology
- Participated in collecting leaves and stem bark samples of *Ficus exasperata* for examination of its phytochemical constituents and antibacterial activities

Obafemi Awolowo University, Ile-Ife, Osun State

Academic Tutor

2017-2021

- Tutored fellow colleagues in course topics including but not limited to microbial genetics, organic chemistry, industrial microbiology, mathematics, biology and virology.
- Utilized first-hand teaching skills to tutor junior and fellow colleagues at different forums which included group discussions and organized tutorials.
- Drafted practice questions against semester examinations in microbiology, mathematics and biochemistry.

Programming

2021-2022

- Developed a free student management system for a secondary school which comprises the front-end and back-end with technologies skills like HTML, CSS, JavaScript and PHP and was hosted on a cloud platform.
- Developed a personal responsive online resume with HTML, CSS, and JavaScript hosted at netlify.app
- Developed an online dictionary application with Django.
- Developed a simple Chat Application with the use of Django and Ajax Library.

LEADERSHIP SKILLS

Obafemi Awolowo University

- Academic officer for my undergraduate colleagues in Microbiology
- Academic faculty representative for the Biological Sciences faculty in my student fellowship on campus
- Pastored a Christian student fellowship with over sixty (60) persons in membership

RELEVANT SKILLS

Laboratory instruments: Autoclave, micropipette, light microscope, rotary evaporator, incubator,

Software Proficiency: MS Word, MS PowerPoint, MS Excel, Tableau; Latex

Programming Skills: HTML, CSS, JavaScript, PHP, Laravel, Python, Django, R, Kivy, Kali Linux OS, Windows OS

Transferable skills: Research and Team work

Language proficiency: English, Yoruba, Arabic, French

CONFERENCES, LECTURES AND TRAINING

- Participated in a 3-day EDM-LISA OAU Statistics laboratory held between Aug 25th and 27th, 2021
- Participated in a leadership summit organized by the Nigerian Association of Microbiology Students, South west region held in Ajose theater, Obafemi Awolowo University,
- Participated in an Information and Communication Technology Training organized by Obafemi Awolowo University for its intakes

CERTIFICATES

- Certificate of Completion of Software Development Fundamentals by Digital Skills Nigeria in collaboration with Microsoft

- Certificate of Completion of HTML5 Application Development by Digital Skills Nigeria in collaboration with Microsoft
- Certificate of Ethical Hacking by Hacker-X
- Certificate of Introduction to R by 365 data science
- Certificate in Introduction to Jupyter Notebook by 365 data science
- Certificate of Introduction to Statistics by 365 data science
- The Fundamentals of Digital Marketing by Google Digital Skills for Africa
- Certificate of Merit for Students by Nigerian Mathematics and Sciences Olympiads
- Certificate of achievement in Mathematics for Data Science by 365 Data Science
- Certificate of achievement in Machine Learning in Python by 365 Data Science
- Digital Marketing Certificate in Text Animation and Video Ads by Digitex
- Digital Marketing Certificate in Facebook Advert by Digitex
- Digital Marketing Certificate in Graphics Design by Digitex
- Certificate of Participation in ICT training for fresh undergraduate students held between 8th and 26th May,2017 at the Centre of Excellence in Software Engineering Building, Obafemi Awolowo University, Ile-Ife, Nigeria
